Dear Hazel and Wendell:

This acknowledges receipt of the substitute page for Amendment 19 to SC-58. The obsolete page is returned herewith.

25X1A

When [] talked with [] about the matter, it was our belief that we were dealing with it only as to the contract on which the question was raised. Please understand that we are not beefing. I mention it only so that you will understand why we did not catch the matter on the SC-58 amendment instead of simply signing and returning it as we did.

If, as I suspect, some billings have been submitted per the rates in the amendment as first received, we will hasten to make the adjustment, and the situation will be copacetic.

Very truly yours,

Bob
